

Trekkers - Autumn Term 2018

This term in Trekkers, we'll be learning a catechism in question and answer format. It's a time-honoured, wonderful way for the children to commit to memory the foundations of Christian belief, so that a future generation of the church can stand firm on these truths. We'll also spend time in some of the Psalms, in which great things about God are expressed through the mouthpiece of Christian experience.

Please join us in praying regularly for the children each Sunday.
