Our Vision and Values

Our vision is to see the young loving Jesus, committed to his church and prepared for a lifetime of service.

The values that shape how we seek to achieve this are:

1. Partnership with parents

We aim to actively support parents in their role as the primary disciplers of their children, in ways appropriate for different age groups.

2. Discipleship in Christ

We long to see children rooted in Christ:

- Knowing God through his word.
- Living for him wholeheartedly in his world.
- Seeking first his kingdom.

When young people leave St Ebbe's we hope that they will be well-prepared to participate fully in the life of their new church.

3. Integration with the wider church

We aim to encourage and train the young to play as full a part as possible in the St Ebbe's church family for the benefit of the whole church as we live out what it means to be the body of Christ together.

4. Reaching those who have never heard

We hope to reach non-believing families in the city by equipping the young who believe to be disciple-makers in their contexts. Various activities, groups and clubs serve this ongoing outreach.
